

WITH THE EMIRATES APP, USERS CAN:

- Book flights and view their personal travel itinerary on the go.
- Store and use their boarding pass offline with Passbook integration
- Get push alerts for chauffeur-drive service, flight boarding, seat selection, gate changes, baggage belt numbers (Dubai) and check-in
- Manage every aspect of their booking, from seat selection to dietary requirements. This feature is particularly useful for our frequent flyers who can see all of their future trips in one place – and for personal assistants who plan their manager's travel.
- Book complimentary Chauffeur-drive service for First Class and Business Class travellers

Register for Emirates Skywards membership through the app. Start collecting Skywards Miles as they fly, view their balance and history and use their Miles to pay for flights and upgrades.
