*Hollywood actor-producer Vin Diesel poses in front of the Fast & Furious 777 aircraft*

UNIVERSAL Pictures and Etihad Airways also unveiled a Fast & Furious 777 airliner at Los Angeles International Airport recently. The Fast & Furious 777 will fly the direct route between Abu Dhabi and Los Angeles, which Eti-

had Airways opened in June last year. The airline is also sponsor of the Furious 7 world premiere, which takes place in Los Angeles on April 1. The Fast & Furious decal will remain on the plane for the next four to six months. ■
